HOW ARE YOU GOING TO CELEBRATE?

June 3rd will be the 31st anniversary of American Hiking Society's National Trails Day®! We are catching up with Wesley Trimble from the American Hiking Society for a recap of the 2023 festivities, the backstory of how the event was started, and more. He will also be highlighting how parks, cities, nonprofits, and individuals can partner with AHS to get involved with future National Trails Day celebrations.
